

PREMIER VILLAGE
PHU QUOC RESORT

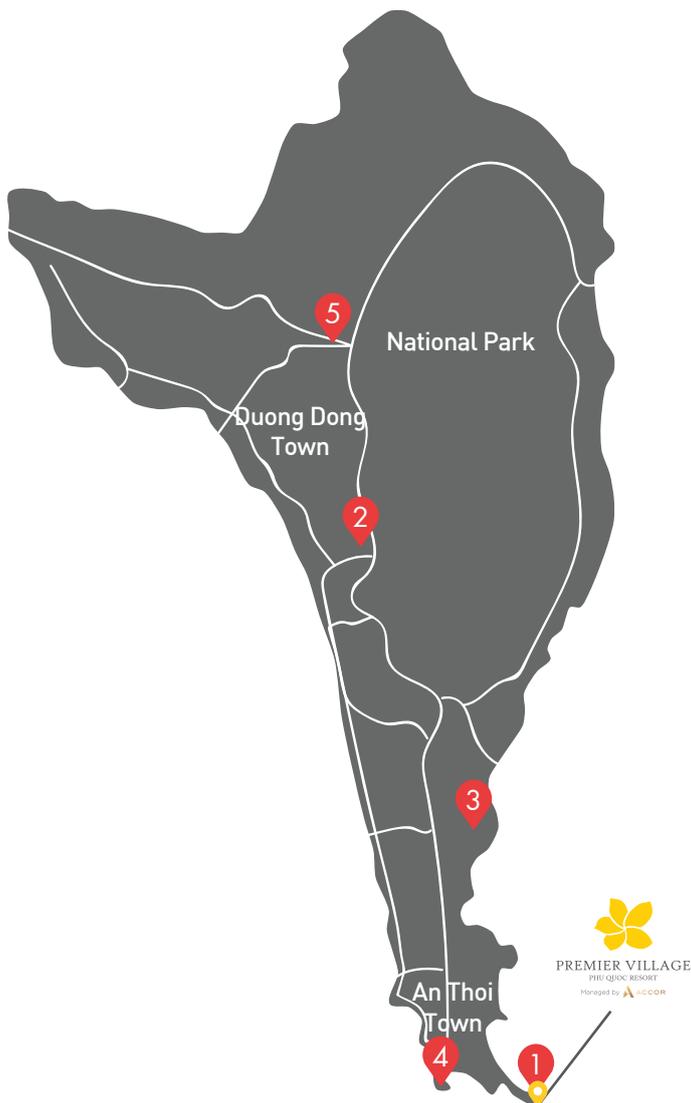

Managed by ACCOR

Located closer to Cambodia than Vietnam, Phu Quoc island boasts unique ecosystems consisting of mountains covered in verdant forests and lush seagrass and coral reefs extending into cool waters surrounding miles of pristine beach. The natural beauty has made Phu Quoc become one of Vietnam's top vacation destinations over the last decade.

RESORT LOCATION

Premier Village Phu Quoc Resort opened in 2018 and is located on Ong Doi Cape, which is connected to the rest of the island to the north by a thin piece of land, making it feel like an island unto itself. Thanks to the unique location, the resort has 217 villas spanning the entire peninsula and containing two shorelines that are amongst the most beautiful beaches in the world. It's the only resort in Phu Quoc where you can watch the sunrise and setting over the ocean.

Getting here

With daily direct flights from Hanoi, Da Nang, Ho Chi Minh City, Kuala Lumpur, Bangkok and London, the resort is located 30-min drive from Phu Quoc International Airport. We offer a private airport transfer to the resort.
